With over 40 years of

#### **Summary**

**Cyberbullying**, also known as online harassment, can be detrimental to not only one's reputation but one's mental and physical health. Cyberbullying can fall under a range of various criminal charges and activities such as criminal harassment, intimidation, extortion, identity theft, defamation, uttering threats, and, in some cases, encouragement of suicide.

#### **Legal Consequences**

Some cyberbullies will often defame or harass their victim for a multitude of reasons. They may be trying to extort you, ruin your reputation, harm you, or simply for their gratification. In extreme cases, the cyberbully might

combined experience, BCSI Investigations Inc. is the platinum standard for private investigations.

encourage their victim to commit suicide, and, in many cases, the victim has tragically gone through with it. Cyberbullying can face heavy legal ramifications if they are found guilty of any of these criminal offenses.

### What to Do if You Are Being Cyberbullied

If you are enduring cyberbullying, you have many options. First, you should try and cut contact with the bully and limit any interaction with them. You should also contact and tell people what you are going through, such as a friend or the police. You can also contact [BCSI Investigations](#) to assist you through this challenging time and help determine who is harassing you.

---

If you or anyone you know has been a victim of fraud, contact BCSI Investigations for a consultation with one of our seasoned private investigators or our in-house digital forensics specialists.
